

WHAT ARE YOU RUNNING AWAY FROM?

Arguments!

Rules!

Step parents!

Lack of privacy!

Before you **run away** **THINK!**

Unless you are in danger, and it is not safe for you to stay at home, running away will put you at greater risk of abuse, violence and exploitation.

There are people who can help you to sort out your problems. Call or text the **Enfield Runaways Service**.

We are here to help!
