Warning; It is a criminal offence for a ratepayer to give false information when making an application for a small business rate relief. This application **must be signed by the ratepayer.** Where, for example, the ratepayer is a company or partnership, it should be signed by the director of that company or one of the partners and the person signing should state his capacity.

IMPORTANT – PLEASE READ THE GUIDANCE NOTES BELOW

This relief is only available to ratepayers who have applied to their local authority and who occupy either;

(a) one property, or

(b) one main property and other additional properties providing those additional properties each have a rateable value of less than £2,900.

The rateable value of the property mentioned in (a), or the aggregate rateable value of all the properties mentioned in (b), must not exceed £27,999 on each day for which relief is being sought. If the rateable value, or aggregate rateable value, increases above those levels, relief will cease from the day of the increase.

You **must** notify us in writing within four weeks of the first day of any of the following changes:

Certain changes in circumstance will need to be notified to Enfield Council if you are in receipt of the relief (other changes will be picked up by the local authority). The changes which should be notified are—

(a) Taking up occupation of an additional property, and

(b) An increase in the rateable value of a property occupied by you in an area other than the Enfield area which granted the relief.

However the good news is that if you take up a second property in England with a rateable value above 2,900 you will continue to get the existing relief for a year. The council will remove the award after 12 months have expired.

Failure to notify us within four weeks of such a change will result in the relief being removed from the first day of the change.
