5. Partnership working is promoted.

6. Opportunities provided to make voice heard on behalf of the sector & service users.

7. Encouraged & enabled to participate & be represented in policy making.

PEOPLE & GROUPS ARE BETTER ABLE TO MAKE A DIFFERENCE

1. More motivated to adopt good practice.

2. Increased confidence in governance, financial management, & volunteer management.

3. Increased chances of successful fundraising.

4. Better able to deliver services.

5. People, communities & VCSOs make trusted connections and are able to collaborate, work in partnership, & share resources.

7. Increased sharing of learning, good practice, skills and assets within the voluntary sector.

8. Participants build knowledge & trust.

9. Connections are made between VCSOs and funders.

10. More good quality volunteer roles.

11. Better recruitment, support and retention of volunteers.

12. Increased chances of successful & sustainable volunteering.

13. Voice of the voluntary sector is amplified.

14. Better able to engage in positive local social action.

VCSOs = Voluntary & Community Sector Organisations.

INCREASED POSITIVE LOCAL SOCIAL ACTION

1. Community assets are developed - increased knowledge, skills and expertise for the VCS paid & volunteer workforce & for Enfield residents, students & employees who want to make a difference in our Borough.

2. VCSOs are more able to adapt to challenges and act on opportunities to benefit Enfield residents.

3. Better sustainability for VCSOs.

4. Income generated to be spent in our Borough.

5. Well managed, well resourced and needs-based services for Enfield residents.

7. A stronger voluntary sector.

8. VCSOs & their service users participate in democratic processes.
